VOL. III. NO. 29.

CHICAGO, WEDNESDAY, FEBRUARY 3, 1897.

PRICE, 5 CTS

## CALIFORNIA THREE-YEAR-OLDS.

[CONTINUED]

The best of the Kentucky division was probably Dr. Catlett. We saw him straight as a string at Detroit to beat Lord Zeni with but scant difference in the weights. The last handicap at St. Louis asked Algot to give Lord Zeni twelve pounds. He did it and beat him a block.

"But to return to the form here. Admitting that Aquinas is the best in California or at least the equal of any here, we must admit that the class is not up to the best in the East. September 2, in a condition race at St. Louis for two-year-olds, Buckvidere was asked to carry 115 pounds to Aquinas' 112 pounds. The latter was at his best that day, and in a furious drive beat Buckvidere a head. Aquinas got off none too well yet he was not a much better horse than Buckvidere that day. Later on in a stake race at a mile Algot got 123 pounds and Buckvidere 105 pounds. R. Williams took the long route on Algot, came on when he got ready and beat Buckvidere in a gallop. I do not mean to say that Algot could give Aquinas eighteen pounds and beat him, but I think that even Barney Schreiber will admit that his homely gelding is better off in the stable when Algot is running true. Aquinas beat Algot once during the summer at light weights, but the race was falsely run and the Top Gallant colt was far from himself after a long let up.

It looked last winter as though the next best colt shown in California after Casper was Coupon, a son of Martenhurst, in the Hobart Stable. He acted like a good horse in his early starts. Trainer Hunn told me the other day that after his last race last spring the colt was taken sick and that no veterinary has ever been able to determine what the disease was. Hunn thinks the colt was either poisoned or has consumption. He has wasted to a mere skeleton and will probably never amount to anything.

John Shields, well known at Chicago, where he trained and raced Dungen, Gov. Adams and other horses, owns Howard S., a grand looking brown colt by Whistle Jacket. This colt is up to any weights and on a dry track is pretty near first class.

Mr. Corrigan has a fine looking and good colt in Geyser who has had underpinning; more's the pity. I do not think he is first-class but he is more than useful. The best of the fillies is Tea Rose, a chestnut daughter of Midlothian. She is owned by John Mackey but Geo. Rose has her running qualities. She is a sweet article for six or seven furlongs, but is willing to pass it up after that. I shall have something to say to you of the older horses in a subsequent letter."

## NOTES OF THE TURF.

Of course, Oakley repudiates the Cincinnati Enquirer's cheap story about the Cincinnati Jockey Club refusing to give Mr. Corrigan stabling because he had not made any stake entries. The repudiation is officially made too, through the original seeker of mischief, who tries to throw the blame on the Oakley officials.

Secretary Nathanson of Ideal Park, goes to San Francisco in the interest of the Wisconsin track's stake entries. His trip is in the line of business wisdom and should yield good results.

The Fleetwood sire, Blue Eyes, a good race horse in his day, and the sire of some horses of great speed, died a few days ago. He was twenty-two years old, by Enquirer—Buchan, by Planet.

The tire of the New Orleans fable about Scherrer's riding for a new Chicago stable has been punctured by the spike of fact. Scherrer is not likely to ride for Mr. Hughes in 1897.

Detroit declares to race twenty-one days, from August 10 to Sept. 4. The action of the management in 1896 was against turf probity and it will meet barriers in consequence.

According to the latest fable from Indiana a race track is to be built at Kouts by Chicago folks which as yet are not discoverable.

The Britannic racing at Iron Hill is the old Morris sprinter. He is thirteen years old and has a touch of his old quality too.

W. W. Lyles has added Bombardon to his string and the colt goes to New Orleans to race.

Mr. August Belmont has scratched all his horses engaged in the English stakes for 1897.

The Brooklyn of 1897 is run June 1 and The Suburban June 22.

## THE AMERICAN

## SPORTING MANUAL

\*\*\* The American Sporting  
Manual will be ready for de-  
livery Saturday at 35 cents in  
paper and 50 cents in leather  
covers. It is a handsome book  
of pocket size. You can bet  
on its figures. It has all rec-  
ords up to January 1, 1897, and  
specially covers those of the  
running turf. There are two  
handicap tables within its cov-  
ers. The figures on two sets  
of entries are given as illu-  
strations to the tables. The book  
contains all track records, track  
speed and comparative speed  
applying to the handicap tables,  
and all the sporting records of  
1896. Among its contents is  
a full list of the fights of 1896.

# The American Sporting Manual

A YEAR BOOK AND COMPENDIUM OF RECORDS

The Manual will be: A Book for the Pocket.

A Book of Authority.

A Comely Book. A Cheap Book.

It will contain all general sporting records in use. All American Turf Records. All American Track Records. A twenty-page history of all the prize fights and boxing matches of 1896, from January 1 to December 31, 1896. Two handicap tables; one reproduced from the American Racing Manual, and a new one of even sharper application to racing, never before published.

The Manual will contain the 1896 figures of Baseball, Aquatics, Football, and Athletics in general—racing, trotting, pacing and all departments of sporting. Within The Manual's covers will be 100 pages of pure sporting figures.

The American Manual's handicap tables alone are such as have been usually sold at \$50 and \$100 each. With them are published explanatory keys and three races which have been run and to which the figures have been applied. These keys show horses, estimate of ability on past races, figures on the race to be run and their position in race to which figures were fitted.

Table No. 2 is entirely new. The track records and time estimate in the book are the result of nine months daily work of five experienced men.
